Physiotherapy

JOURNAL OF THE CHARTERED SOCIETY OF PHYSIOTHERAPY 14 BEDFORD ROW, LONDON WC1R 4ED
TELEPHONE 01-242 1941

INDEX

VOLUME 73

JANUARY TO DECEMBER

1987

Special Issues

Changing Concepts of Physiotherapy

Physiotherapists also have needs. S E Jackson 587
Physiotherapy in the Eighties: The challenge of change. B M Samuels 584
Where is the physiotherapy profession going? D A Jackson 590
I Starks 592

Communication (2)

Communication and The Chartered Society of Physiotherapy. S Philbrook 54
Communication in health care. A Hough 56

Congress Lectures

Conspectus '87. M A Harrison 640
Continuing education: A study of physiotherapists' attitudes. A C Titchen 121
Description and evaluation of an assessment form. R Hallett, N Hare, A D Milner 220
1981 Education Act: Paediatric physiotherapy services — Delivery and constraints. P M Eckersley 460
Helping parents to help children. R Cameron 172
Impressions of home-based Portage services. M Woods 175
Management and prevention of certain deformities in cerebral palsy. E J Bell 368
Study of the personality, motivation and attitudes of finalist physiotherapy students in four member states of the European Economic Community. P S Wagstaff 311

Orthotics

Applied mechanics: Biomechanics of orthoses. P Bowker 270
Assessment of the mechanical function of orthoses by force vector visualisation. J Stallard 398
Basic mechanics: Forces and their effects. P Bowker ...264, (L) 475
Below-knee orthoses. B McHugh, J Campbell 380
Long leg braces. D N Condie 275
Louisiana State University reciprocating gait orthosis, The. J Beckman .....386, (L) 605, (L) 000
ParaWalker, The. P B Butler, R Major 393

Portage Home Teaching

Helping parents to help children. R Cameron 172
Impressions of home-based Portage services. M Woods 175
Role of the physiotherapist in the Portage home teaching scheme, The. P M Hearn 169

Pressure Sores

Personal experience of pressure sores. R Harries 448
Physiotherapy prevention and treatment of pressure sores. S Fernandez 450
Pressure sores: Is there a place for nutritional support? J D Higgs 457
Seating and pressure sores. C M Settle 455

Teaching Skills for Clinical Physiotherapists

Cognitive styles: Some implications for teaching and learning. M H Jobling 335
Creating a learning environment. P Griffiths 328
Design and implementation of a problem-based continuing education programme: A guide for clinical physiotherapists. A C Titchen 318
Problem-based learning: The rationale for a new approach to physiotherapy continuing education. A C Titchen 324
Staff meetings and in-service training: A community perspective. P M Eckersley 331

Therapeutic Ultrasound

Basic physics of therapeutic ultrasound. G ter Haar 110
Clinical applications of therapeutic ultrasound. T McDiarmid, P N Burns 155
Evaluation of the efficacy of ultrasound. C J Partridge 166
Mechanisms involved in therapeutic ultrasound. M Dyson 116
Production and transmission of ultrasound. R Williams 113
Review of instrumentation available for therapeutic ultrasound, A. M F Docker 154
Study of ultrasound treatment to the painful perineum after childbirth, A. V Creates 162

Continuing Series

Personal Finance

Accountant's role in setting up in private practice, The. J Simmonds 622
How to succeed in business. J F Bedford 533

Supplements

Annual report 1986 and year book 1987 *bound with May issue*
Pay Review Body for professions allied to medicine
CSP evidence 217
Staff Side evidence 210

General Articles

Affective objectives and their assessment in physiotherapy education. R I M C Dobbelaere, M L De Volder 623
Attitudes of physiotherapists to the recruitment of disabled and handicapped people into the physiotherapy profession. S French 363
Back strength and fitness programme using Norsk and sequence training. R Garrett 573
Bassetlaw seating bank. J Gemmell 378
Children with motor learning difficulties: Not so much a syndrome — more a way of life. I McKinlay 635
Comparative study of physiotherapy students' attitudes to social skills training undertaken before and after clinical placement, A. D A Dickson, M Maxwell .....60, (L) 287
Comparison between adult and paediatric intensive care, A. L Kendall 495
Early readmission of the elderly into hospital. Z O Odetunde 631
Effectiveness of transcutaneous electrical nerve stimulation in relieving pain following thoracotomy. A Ho, P W Hui, J Cheung, C Cheung 33
Endoprosthetic replacement of bone: An outline of the physiotherapeutic management. S J Ross, A P Thomas, R S Sneath 65
Evaluation of physiotherapy in a day unit. A Squires, R Dolbear, S Smoker, R Williams 596
Examining the role of physiotherapy in adult mental handicap services. S R Bell 69
Graded exercises for the pelvic floor muscles in the treatment of urinary incontinence. J Laycock 371
Graduate physiotherapists: A survey of the opinions of superintendents and graduates. M H Jobling 627
Guide lines to appraising research papers in journals. A Parry ...375
Health PICKUP: Continuing education for the health care professions. C A Evans, J D Edmonstone 36
Impact of clinical experience in geriatric medicine on physiotherapy students, The. A J Squires, J M Simpson 516
Information system for physiotherapy, An. R J Jones, L A Rugg 526
Information systems, resource management and physiotherapy. T Simon, R Jones 522

Joint reconstruction in the upper limb. T G Wadsworth, H Patel....679
Loneliness of the long-distance physiotherapist, The. L A Furnell J R G Furnell....39
Management of limb oedema in patients with advanced cancer, The. R C Gray....504
Massages cause changes in blood fluidity. E Ernst, A Matrai, I Magyarosy, R G A Liebermeister, M Eck, M C Breu....43
New dimension in management programmes for cerebral palsied children in India, A. T Hamblin....307
ParaWalker paraplegic walking. E M Watkins, D E Edwards, J H Patrick....99
Physiotherapy in the respiratory care of patients with high spinal injury. S Brownlee, S J Williams....148
Physiotherapy management following the Bradford City Football Club fire: May 11, 1986. A P Rochester, K D Staite, V A Steele....2
Physiotherapy service to the elderly: A survey of GP opinions. N C McCallum....6
Physiotherapy support to a domiciliary care scheme for physically handicapped elderly people. M Stone....227
Pilot study to investigate the use of interferential in the treatment of ano-rectal incontinence. K L Sylvester, S E J Keitty....207
Programme of clinical experience in geriatric medicine for physiotherapy students, A. A J Squires....514
Psychological aspects of benign spinal pain, Some. G P Grieve....399
Reciprocal patterned electrical stimulation of the lower limbs in severe spasticity. N Shindo, R Jones....579
Rehabilitation of a severely disabled multiple sclerosis patient, The. G Baer, Y Lewis....436
Relevance of non-verbal skills in physiotherapy, The. S Hargreaves....685
Resistance to motion through water of hydrotherapy table tennis bats, The. M R Hillman, L Matthews, J M Pope....570
Resource management: A guide for physiotherapists. J I Williams....531
Significance of spinal joint signs in the management of 'groin strain' and patellofemoral pain by manual techniques, The. P Chadwick....507, 601
Straddle seating for the cerebral palsied child. P C Stewart, G McQuilton....204
Survey of hospital hydrotherapy pools in the health Districts of England, A. M C O'Mahony, K S Delpak, P G Mann, P T Penny, M McDougall....103
Use of Geliperm as a sterile coupling agent for therapeutic ultrasound, The. R N Brueton, B Campbell....653
Wheelchair provision in a London Health Authority. R Ham....576
Writing for *Physiotherapy*: Guide lines for authors....491

Treatment and Equipment Notes

Adaptive seating: A wooden insert. A Steene, J Downs....49
Akron isokinetic exercise unit. I Platt....428
Canadian padded transfer board. S Wightwick....309
Casting 'mould and hold' cushions. L Weekes....521
Chair arm support for hemiplegic patients. M Johnstone....582
Cumbria orthopaedic soft indoor boots. E M Hollinrake....50
Geneb web, The. S Keefe....50
Handford knee brace. F Handford....254
Harperbury bath mattress. L Weekes....630
Head float. E Davidson....176
Knee therapy chair and adjustable wobble table combined. J B King....51
Non-slip matting. G Stern, J Murray....428
Novatherm contact thermography system. F M D Barr....438
REM unit with cerebral palsy, The. J O Dalton....310
Rookwood bead seat. C Bar, C Locke, P Salmon....650
Saxon range of nursery seating. F R Corkhill, E J Askew, R W Corkhill....648
Successful treatment by general ultra-violet radiation of pruritis due to biliary cirrhosis. R Cerio, J L Low....689

Abstracts and Dissertations

Belief and illness: A study of patients with rheumatoid arthritis. R D Plant....199
Changing concepts of rehabilitation in physiotherapy: The evaluation of an Open University study pack. C Bithell....294
Clinical method of assessing the functional ability and the gait patterns of children with cerebral palsy, A. A K Jenkinson....198
Computers in physiotherapy. R Winterbottom....96
Development and evaluation of the Sheffield motor assessment chart. A Parry....676
Development of an electrostatic whole-body sweatmeter. P A Standing....677
Diaphragmatic/abdominal breathing in asthma. D L Southon....427
Effect of wheelchair seating on posture, interface pressure and comfort of the user. M Harms....678
Evaluation of two forms of walking aid, An. P S Wagstaff....199
Expectations of physiotherapy by patients with low back pain. J John....554
Investigation into the roles of vision and kinesthesis in distance appreciation, An. C E Shacklady....199
Investigation of some personality characteristics of a group of undergraduate physiotherapy students, with particular reference to the occupational profile, An. M Jobling....198
Kinaesthetic acuity and motor control in humans. G De Domenico....678
Knee movement and muscle activation during the swing phase of walking in man. M Garrett....294
Muscle strength and power in male and female subjects. A Potter....427
Muscle strength and training of the elbow flexors. J Davies....427
Patterns of arm, head and trunk movement as a basis for assessment and retraining of motor performance in stroke patients. L De Souza....96
Perceptions of physiotherapy as a career. V L Hackett....554
Personality profile of the physiotherapy student, A. V L Dawson....96
Physiotherapy: A profession? M P McCoy....677
Physiotherapy: Its value in asthma. D L Southon....427
Pilot study into the effects of vibration frequency on the characteristics of the tonic vibratory reflex (TVR). G De Domenico....678
Problems facing parents with pre-school asthmatic children. F Noble....554
Recreation administration on higher education campuses: An investigation, G E Tancred....677
